### Obtain an IBM Cloud Feature Code

[Bookmark this page](#)

To facilitate hands-on skills development and enable you to complete some of the labs in this course, we are providing you with a special feature code for IBM Cloud.

This feature code will enable you to either create an IBM Cloud account without a credit card, or extend the validity of your existing IBM Cloud trial.

Please check the box and click on the Open tool button below to obtain a unique Feature Code and copy it. You will be able to apply it using the instructions that follow in a subsequent lab in the course.

*NOTE: If you have already applied your IBM Cloud feature code in another course/lab to create an IBM Cloud account or extend its trial, please skip this item, as the code can only be used once.*

**8. Provide the same credentials i.e email id & password used for ICT Academy account creation and click on next to get the OTP on the registered email id.**

The screenshot shows the IBM Cloud account creation interface. The header includes the IBM Cloud logo and navigation links for Catalog, Cost estimator, and Docs. The main heading is "Create an IBM Cloud account" with a link to "log in" for existing users. The "Account information" step is active, showing fields for Email and Password, both of which are filled and marked with green checkmarks. A "Next" button with a downward arrow is visible. Below this, there are radio buttons for "Verify email", "Personal information", and "Account notice". A "Continue" button with a rightward arrow is at the bottom. On the right side, there are promotional messages: "Get started with a USD 200 credit" and "Create your account for free". A "Cookie Preferences" link is located in the bottom right corner.

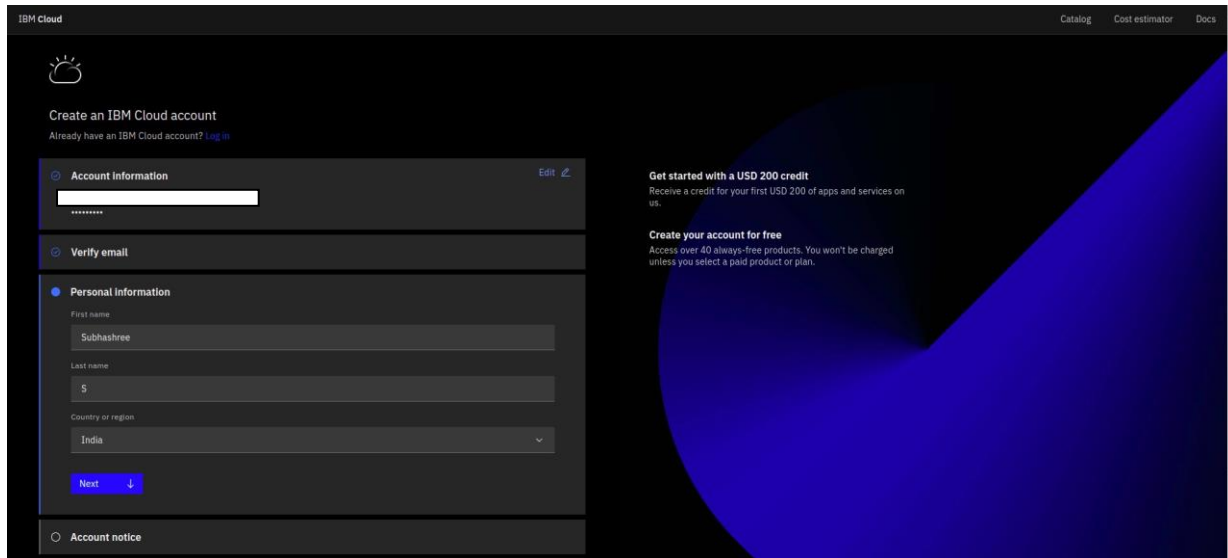

**9. Provide the received OTP on the registered email id and click on next**

The screenshot shows the IBM Cloud account creation interface at the "Verify email" step. The "Account information" step is now completed and marked with a checkmark. The "Verify email" section displays a message: "We sent a 7-digit verification code to subhashree.s15062002@gmail.com. This code is valid for 30 minutes." Below this, there is a "Verification code" field containing the code "7624343". A "Next" button with a downward arrow and a "Resend code" link are present. The "Personal information" and "Account notice" radio buttons remain below. The "Continue" button with a rightward arrow is at the bottom. The right side of the page features the same promotional messages as the previous step. The "Cookie Preferences" link is still visible in the bottom right corner.

IBM Cloud

the IBMid login service (i.e. IBMid is the authenticating agency).

If your account is created using an email address containing a domain owned by an organization which you are employed by, contracted to, or volunteer for, your organization can:

- Inquire about the status of your ID
- request your account settings (including your personal information)
- at its option, convert it to an enterprise ID.

If your account was created as (or is converted to) an enterprise ID, your organization manages your account information. It is also the authenticating agency for your ID, meaning your access is controlled by your organization's login service.
